## **Anthropology Significance of Alloalbuminaemia**

**Harsurinder Kaur and Neeraj Mehta**

*Department of Human Biology, Punjabi University, Patiala 147 002, Punjab, India*

**KEYWORDS** Alloalbuminaemia. Amino-acid. Substitutions

**ABSTRACT** The occurrence of point mutations at the same site in the albumin molecule in widely different population groups prompted the researchers to trace the origin and affinities of the variants concerned and draw conclusion about their anthropological significance.
